WORK EXPERIENCE

December 2019–Decementer 2022

JINDAL STEEL WORKS LTD

Toranagallu, Bellary Dist, Karnataka, India

- During my 3-year tenure at JSW as Assistant Manager, I worked as an Assistant Manager Production Engineer where I was responsible for overseeing the production of an entire line of wire rods. My job was to reduce machine delays and increase production without any defaults.
- Acquired planning expertise by organizing and scheduling daily/weekly/monthly activities
- Helped **manage a team of contactors**, made Design reports, Site safety reports, Contractor Plant Induction Reports.
- Responsible for line operation & site inspection.

CURRENT ENGAGEMENT:

- **One Year Program (Apr 22 - Present)** SCALER ACADEMY FULLSTACK DEVELOPMENT
- **Program** -> Mastering Data Structures, Computer Science Fundamentals, SD, DSA, OOPS, CN, OS, frameworks (Spring)

GITHUB PROJECTS

- **React Responsive Portfolio (React.js)** A Responsive single page website (Frontend) (source-code).
- **Weather App: (Spring Boot, React-js, HTML & CSS) (Deployed on AWS) (FULLSTACK)** (sourcecode)
- **Zomato Clone:** (ReactJS, HTML & CSS) (code)
- **Blogging App: (Restful API, Spring Boot, Reactjs, HTML & CSS) (FULLSTACK) - COMMING SOON**
